

Be visible to the most important players in the wind power industry

[The Swedish Wind Energy Association](#) (Svensk Vindenergi) is offering its member companies the opportunity to boost their visibility. The marketing offer is linked to the [VIND Conference and Exhibition](#) – the Nordic region’s largest annual event for the wind power industry.

The number is limited to 10 of our member companies on a **first come first served basis**. Absolute deadline is **January 13 for taking** full advantage of the priority status for booking trade stand space. These bookings open on January 20th at 9 am.

You will benefit from:

- **Priority status for booking trade stand space** – selecting the right place in the exhibition hall is crucial for visibility on site.
- **Continuous exposure for your company logo** – on the conference website and electronic marketing throughout the year, as well as on site.

The VIND Conference and Exhibition

VIND is the Nordic region’s largest annual rendezvous for the wind power industry. In 2019, the event attracted nearly [60 exhibitors](#) and more than one thousand participants. It is a meeting place for project planners, wind power owners, municipalities, county councils, electricity trading companies, landowners, turbine suppliers, legal firms, politicians, public agencies and authorities, banks, insurance providers, consultancy firms, subcontractors, universities and more. A list of participants can be [sent on request](#).

[VIND 2020](#) will take place at [Münchenbryggeriet](#) (The Brewery) in Stockholm 14-15 October. Please find the content of the marketing offer below, or read more about the event at www.windsweden.com
